Section 1: INTERPRETATION & APPLICATION OF THE RULES**P1.1: Definitions**

- 1.1 Words defined in the **rules** have the same meaning in these **procedures** unless otherwise specified.

P1.2: Rules of Interpretation

- 1.1 These **procedures** are segmented according to the **rule** to which each **procedure** relates. So, for example, the procedure headed "**P5.4 Market-related disputes**" (referred to in these **procedures** as "**procedure 5.4**") contains the **procedure(s)** for **rule 5.4**. Each **procedure** is further segmented into parts and/or numbered paragraphs. This layout is for convenience only and does not affect interpretation.
- 1.2 For the sake of clarity, the rules of interpretation in **rule 1.2** also apply to the **procedures**.

P1.5: Waivers

- 1.1 For the sake of clarity, failure to comply with the terms and conditions of any waiver will render a **participant** liable to action for contravention of the **rule** in respect of which the waiver was granted. Failure to comply with any conditions attached to a waiver may also amount to a breach of **rule 1.5** but if the **rule** in respect of which the waiver is granted is not breached then it is unlikely that action would be taken for contravention of any condition attached to the waiver.
- 1.2 A register will be maintained by **Chi-X** of each waiver granted under **rule 1.5** and which shall record:
- (a) The **rule** from which the waiver is granted;
 - (b) The **participant(s)** to whom the waiver has been granted;
 - (c) The basis on which the waiver was granted;
 - (d) The date on which the waiver takes effect;
 - (e) The terms and conditions of the waiver.
- 1.3 The register will be made available on the **Chi-X** web site.
- 1.4 **Chi-X** may, in its absolute discretion, keep confidential any or all aspects of a waiver that has been applied for and/or granted.

P1.6: Reviews**1. Requesting a Review**

9. Review Outcomes

- 1.2 **Chi-X** will commence this process by notifying **participants** (by circular) of the proposed amendments, and **participants** will then be given an opportunity to comment. **Chi-X** will consider any comments received from **participants** before the **procedure** amendments are finalised and implemented.

- 2.1 The executing **participant** (which is typically the seller under the **Market Integrity Rules (Competition in Exchange Markets)** but not in all cases) is to report the **relevant transaction** in accordance with and at the times specified in the **Market Integrity Rules (Competition in Exchange Markets)**.

- 2.2 Where the **off market transaction** is a large principal transaction, the participant may delay reporting to the **Chi-X market** in accordance with the **Market Integrity Rules (Competition in Exchange Markets)**.

- 2.3 Upon receipt of trade reports in respect of **off market transactions**, **Chi-X** will:

- (a) send an unsolicited trade confirmation message to the counterparty if the counterparty to the **off market transaction** is a **participant**; and
- (b) publish details of the trade on its market data feed.

3. Categories of off market trade to be specified on trade report

- 3.1 On each trade report submitted to the **Chi-X market**, **participants** must specify the details required in the **Chi-X** technical specifications, including one of the following pre-trade transparency exceptions under the **Market Integrity Rules (Competition in Exchange Markets)** that is relied upon for the **off market transaction**:

- 4.2 A foreign to foreign (FOR) transaction is one in which there is no increase in the foreign ownership of the relevant security. If reported as foreign to foreign, **Chi-X** will provide this information to the **designated central counterparty** so that settlement of the transaction can be effected in accordance with the ASX Settlement Operating Rules applicable to FOR financial products. In practical terms, this means that the transaction will be excluded from settlement so that ownership of the securities passes from one foreign owner to another foreign owner.
- 4.3 FOR trades may be submitted to **Chi-X** as a trade report using the appropriate identifier for FOR transactions details of which are set out in the technical specifications.

P 4.4: Classes of Financial Products

1.2 As noted in **procedure 4.2**, participants may submit MOC orders from the commencement of continuous trading. If an MOC order matches against another MOC order before the applicable reference price is available, both sides will receive a message, in accordance with the technical specification, confirming that the orders have been matched. MOC orders matched before the applicable reference price becomes available will result in a relevant transaction unless:

- (i) no reference price eventuates for the MOC orders; or
- (ii) the security in question is placed in a regulatory halt that prevents the closing auction taking place on the ASX.

1.3 An event of default by a participant, under the rules of a designated central counterparty or an alternate central counterparty, may result in a relevant transaction arising from a matched MOC order submitted by that participant being rejected by the designated central counterparty or an alternate central counterparty. Any such rejection may occur even if the event of default takes place after the matching of MOC orders submitted by that participant but prior to it being known whether the conditions in paragraph 1.2(i) and (ii) above have been satisfied.

3.1 This part of **procedure** 4.5 contains the only exceptions to the **matching** priority specified in the **rules**.

3.2 **Orders** submitted by **Participants** that opt-in to broker preferencing, in accordance with the requirements in the technical specifications, will be matched as follows:

- (i) hidden **orders** other than MOC **orders** will **match** on the basis of price/visibility/participant/time priority; and

(ii) MOC **orders** will match on the basis of participant/time priority.

3.3 MOC **orders** for which broker preferencing is not enabled will be matched on a time priority basis.

P4.6: Purging of orders

- the total number of each financial product that will vest in the buyer under the arrangement.

1.3 **Chi-X** must not change the agent nominated by it to receive the short sale information required of **participants** under the **Corporations Act** without consulting with and providing reasonable notice to **participants** on the proposed change.

Section 5: FAIR & ORDERLY MARKET

P5.1 Chi-X orderly markets powers

1. Trading halts and suspensions

1.1 Under **rule 5.1(b)**, **Chi-X** has the power to place one or more products quoted on the **Chi-X market** into a trading halt or suspension. If the **listing market** places one or more **equity market products** into a trading halt or suspension then **Chi-X** will automatically do likewise. After doing so, **Chi-X** will assess whether maintaining the halt or suspension on the **Chi-X market** is justified. **Chi-X** will notify **participants** if it proposes removing a trading halt/suspension for an equity market product before the trading halt or suspension for that same product has been removed on the **listing market**.

1.2 When an **equity market product** has been placed into a trading halt then the **Chi-X market** will, in relation to that **equity market product**:

This **procedure** outlines how issues that arise with respect to the **participant-client** relationship in connection with the **Chi-X market** may be resolved.

3. Complaints by clients

3.1 A **client** may make a complaint to **Chi-X** in relation to their **participant's** conduct. A complaint of this nature would be handled initially by Compliance. The **Chi-X** website will include a reference asking for **client** complaints to be made to Compliance.

3.2 On receipt of a complaint, Compliance will assess the basis for the complaint. In addition to the information provided by the complainant, Compliance may also undertake an investigation of the circumstances, using its investigative powers under the **rules**, such as interviewing the **participant** and its representatives and obtaining records as required.

3.3 If the investigation indicates that the **participant** may have contravened the **Chi-X rules**, Compliance will have powers to institute action, including disciplinary action against the **participant**. Compliance may, in appropriate circumstances, also refer the matter to **ASIC**, or to the **designated central counterparty** or the **alternative central counterparty** if the matter relates to clearing and settlement.

4. Dispute resolution

- 4.1 **Chi-X** does not offer a formal dispute resolution mechanism. Those **participants** that hold an Australian financial services licence (**AFSL**) must be a member of an external complaints resolution scheme, such as the Financial Ombudsman Service (**FOS**) which is a customary forum for the resolution of disputes. **Participants** that do not hold an AFSL may be required, under paragraph 1.1(c) of **procedure 2.4**, to make undertakings in respect of providing a formal dispute resolution mechanism.

 - (c) within the time limits specified in paragraph 2.4(c) of **procedure 5.7** if the dispute relates to a **relevant transaction** that has been the subject of a request submitted to **Chi-X** under **rule 5.7**;
 - (d) by 6pm on the day on which the **dispute** has arisen if the **dispute** does not relate to a **relevant transaction**.

P5.5: Review of a decision under rule 5.4(d)

1. Review of the non-exercise of powers

1.1 For the sake of clarity, a review can be requested under **rule 5.5** of a proposed decision by **Chi-X** not to exercise any of the powers listed in **rule 5.4(d)**.

2. Making a Request

2.1 A **participant** may provide the notification and request for a review under **rule 5.5** by telephone or email. The notification and request must be made to Market Operations in accordance with **procedure 13.7**.

2. Error Transactions

2.1 A **participant** that wishes to request a relevant transaction to be cancelled or amended as an **error transaction** under this **procedure** must, by telephone or email, notify Market Operations within 15 minutes following the execution or reporting of the **relevant transaction**.

2.2 On receipt of a request from a **participant** to amend or cancel a **relevant transaction**, **Chi-X** may contact the counterparty **participant** to the **relevant transaction** to determine whether the counterparty **participant** consents to the cancellation or amendment of the **relevant transaction**. The counterparty **participant** is under no obligation to agree to the cancellation of the **relevant transaction**.

- 2.3 If an agreement is reached as to the cancellation or amendment of a **relevant transaction**, **Chi-X** will inform the relevant **participants** and may then facilitate the cancellation or amendment of the **relevant transaction**. Even if the **participants** agree to cancel or amend a **relevant transaction**, **Chi-X** may prevent that amendment or cancellation if **Chi-X** considers that is necessary to ensure that the market for the relevant **financial products** is fair, orderly and transparent.
- 2.4 If the counterparty **participant** does not agree to the cancellation or amendment of the **relevant transaction**, **Chi-X** will inform the other relevant **participant** that no agreement has been reached. In these circumstances:
- (a) **Chi-X** may direct that the **relevant transaction** will not be cancelled or amended;
 - (b) **Chi-X** may cancel or amend the **relevant transaction**, in **Chi-X's** discretion under **rule 5.1**; or
 - (c) either of the **participants** may request that **Chi-X** treat the matter as a market-related dispute for the purposes of **rule 5.4**. A **participant** must make such a request to Market Operations within 15 minutes of the **participant** being informed by **Chi-X** that no agreement has been reached and must, when making the request deliver a statement to **Chi-X** in relation to the dispute within 15 minutes following the referral of the dispute by **Chi-X**. If **Chi-X** agrees to have the matter treated as a market related dispute for the purposes of **rule 5.4**, **Chi-X** will then provide the other **participant** with the statement provided by the first **participant**. The other **participant** may within a further 15 minutes deliver its own statement to **Chi-X** in relation to the **dispute**. The **dispute** will be dealt with in accordance with **rule 5.4**.

3. Clearly Erroneous Transactions

- 3.1 **Chi-X** operates a price range checking feature that is designed to prevent erroneous orders from entering the **Chi-X market**. **Chi-X** will document details of the parameters used and how this price range check works in a separate guide that will be published on its website: www.chi-x.com.au.
- 3.2 Notwithstanding the price range checking that **Chi-X** may do under paragraph 3.1, **Chi-X** may initiate a review of a **clearly erroneous transaction**, regardless of whether or not a **participant** request has been submitted under part 2 of this **procedure 5.6**, if it determines in its sole discretion that circumstances warrant such a review. In such instances **Chi-X** will notify the relevant **participant** and the counterparty **participant** that a **relevant transaction** will be reviewed pursuant to this **procedure 5.6**. **Chi-X** may direct **participants** to provide comments to **Chi-X** regarding the **relevant transaction** and/or the

potential cancellation or amendment of the **relevant transaction**, which comments must be provided by the time specified in the direction.

- 3.3 **Chi-X** may modify or cancel **clearly erroneous transactions** in a timely fashion and in all cases no later than 6pm on the **business day** on which the **relevant transaction** was executed or reported.
- 3.4 In determining whether to exercise its discretion to cancel or amend a **relevant transaction** as a **clearly erroneous transaction**, **Chi-X** may have regard to, among other things, the need to maintain a fair, orderly and transparent market, discussions with the relevant **participants**, analysis of market data and analysis of market events.
- 3.5 **Chi-X** will inform **participants** to the **relevant transaction** verbally of any decision to cancel or amend a **clearly erroneous transaction**. **Chi-X** may require the **participants** to notify any relevant **clients** of its decision.

4. General

- 4.1 The following applies to any cancellation or amendment under this **procedure 5.6**:
- (a) Any cancellation or amendment of a **relevant transaction** will be binding on the relevant **participants**.
 - (b) A **participant** must comply with any direction given by **Chi-X** in relation to any cancellation or amendment.
 - (c) This **procedure 5.6** does not in any way restrict or limit the powers of **Chi-X** under **rule 5.1**.
 - (d) The **procedures** above may be impacted by the rules and procedures of the **designated central counterparty** or any **alternative central counterparty**. **Chi-X** may vary the **procedures** above to accommodate any requirements of such a facility. **Participants** acknowledge that if the **designated central counterparty** or any **alternative central counterparty** does not, in accordance with its applicable rules and procedures, give effect to a cancellation or amendment of a **relevant transaction** reported to the facility, the cancellation or amendment will not be able to be effected by **Chi-X** and **Chi-X** is not responsible for the consequences of the decisions or actions of the **designated central counterparty** or any **alternative central counterparty**.

P5.7: Other Powers

- 1.1 There are presently no additional powers prescribed under the **rules**.

Section 6: CLEARING ARRANGEMENTS

P6.2: Appointment and use of central counterparties

1. Delivery

- 1.1 Delivery of a **relevant transaction** for clearing and settlement is not required if and only if:
- (a) prior to delivery the **relevant transaction** has been cancelled in accordance with the **rules** and **procedures**; or
 - (b) a **participant** is on both sides as the sole **participant** to the **relevant transaction** and has notified **Chi-X** in advance that it has alternative arrangements for settlement.

2. Designated central counterparty

- 2.1 For the purposes of **rule 6.2**, the **designated central counterparty** is ASX Clear.

3. Alternative central counterparty

- 3.1 For the purposes of **rule 6.2**, there are presently no approvals concerning any **alternative central counterparties**.

P6.3: Third party clearing

- 1.1 For the purposes of **rule 6.3**, **participants** must notify **Chi-X** of details concerning the appointment of any **clearing participant** or the change of an existing **clearing participant** previously notified to **Chi-X**. Such notification must be provided to **Chi-X** using the appropriate form. **Chi-X** will update its systems based on the notification and the changes will take effect 24 hours after receipt of the form by **Chi-X**.

P6.7: Alternative central counterparty

- 1.1 A **participant** that seeks to use the services of an **alternative central counterparty** must:
- (a) notify **Chi-X** of the proposed **alternative central counterparty**; and
 - (b) provide such other information as **Chi-X** may request in support of the application.

Section 7: SETTLEMENT & CORPORATE ACTIONS

P7.1: Obligation to settle

- 1.1 For the purposes of **rule 7.1(b)**, all trading done on the **Chi-X market** is on the default basis of quotation of the **listing market**. **Chi-X** does not operate special markets.
- 1.2 In most instances, this will mean that settlement of all **relevant transactions** will occur on the third **business day** after the date the **relevant transaction** occurred, except where the **listing market** publishes an alternate date.
- 1.4 For example, the **listing market** may, from time to time, specify that a **financial product** is classified as “deferred delivery” or “deferred settlement” in which case the default basis of quotation will change and **participants** will be deemed to trade on the **Chi-X market** under that default basis of quotation. **Chi-X** does not publish this data. **Participants** must therefore ensure that they are at all times aware of the default basis of quotation for a **financial product** traded on the **Chi-X market**.

Section 8: Monitoring and Investigation

P8.1: Monitoring compliance and investigation

- 1.1 An alleged or suspected contravention of the **Rules** may be investigated by **Chi-X** Compliance. If **Chi-X** Compliance is of the view that a contravention may have taken place it may issue a draft investigation report to the **participant** that may have contravened the **Rules**. The **participant** may respond to the draft report.
- 1.2 If after receiving and considering any response from a **participant** to a draft investigation report, **Chi-X** Compliance remains of the view that a contravention of the **Rules** may have taken place, it must refer the alleged contravention of the **rules** to the **Compliance Committee**. **Chi-X** Compliance must provide a copy of an investigation report and all relevant information in its possession, including any relevant response by a **participant** to a draft of an investigation report, to the **Compliance Committee**.
- 1.3 The **Compliance Committee** will be chaired by an independent non-executive director of the **Board**. The **Compliance Committee** may not consider a referral of an alleged contravention of the **rules** unless at least 50% of the Committee members are not members of the **Chi-X** executive. Members of **Chi-X** Compliance and the **Chi-X** executive may sit on the **Compliance Committee** but may not make up a majority of the membership of the Committee. Suitably qualified members of the financial services industry and the legal profession taken from the Panel referred to in paragraph 3.1 of **procedure** 1.6 will make up the membership of the **Compliance Committee**.

P8.2: Information

- 1.1 A requirement by **Chi-X** to provide information is subject to and governed by the laws of the state of New South Wales, including those relating to legal privilege.

P8.3: Independent report by a qualified person

- 1.1 Examples of matters in respect of which **Chi-X** may request a report under **rule** 8.3 include:
 - (a) the **participant's** systems and controls in relation to accessing the **Chi-X** market;
 - (b) the **participant's** systems and controls in relation to reporting requirements under the **rules**; and
 - (c) the **participant's** clearing and settlement arrangements.

Section 9: DISCIPLINARY ACTION, SANCTIONS & OTHER POWERS

9.1 Disciplinary action

1. Notices Issued under rule 9.1(a)

1.1 The **Compliance Committee** may, after considering a referral of an alleged contravention of a **rule** and all the information that has been provided to it, resolve to issue a notice to a **participant** that imposes one or more sanctions set out in **rule 9.3**.

1.2 A notice issued by **Chi-X** under **rule 9.1(a)** shall contain:

- (a) the **rule** that has been contravened;
- (b) the facts and circumstances that gave rise to the contravention and reasons in support of the determination;
- (c) the proposed sanction for the contravention; and
- (d) the right of the **participant** to object to the determination under **rule 9.1(b)**.

2. Reviews conducted under rule 9

2.1 The **Review Committee** has responsibility for reviewing **Chi-X** determinations where that is requested by a **participant** in compliance with **rule 9.1(b)** and the **procedures**. A person may not be both a member of the **Compliance Committee** that considered a referral of an alleged contravention of a **rule** and a member of a **Review Committee** that considers the same or a related contravention.

2.2 The **Review Committee** may also review a matter referred to it by **Chi-X** under **rule 9.1(d)**.

3. Hearing date

3.1 The Chair of the **Review Committee** will give reasonable notice to **Chi-X** and the relevant **participant** of the nominated date, time and place for the hearing. The hearing date must be at least 5 **business days** after the date the notice is received by the relevant **participant**.

3.2 The **Review Committee** may amend the hearing date for which notice was previously given, and appoint a substitute hearing date. The **Review Committee** will provide reasonable notice of the new date to **Chi-X** and the relevant **participant** and may adjourn and re-convene proceedings as it sees fit.

4. **Attendance at the hearing**

- 4.1 Proceedings of the **Review Committee** will take place in private.
- 4.2 Each of **Chi-X** and the **participant** may have up to two (2) representatives present to make submissions. A representative may be:
- (a) a member or **employee** of the party represented; or
 - (b) any other person approved by the **Review Committee**; or
 - (c) a barrister or a solicitor of the Supreme Court of a state or territory of Australia, or of the High Court of Australia.
- 4.3 **Chi-X** may specify one or more other persons who may attend the proceedings as observers.

5. **Written submissions**

- 5.1 The **Review Committee** may also determine that the parties make all submissions on a particular disciplinary matter in writing, rather than attend a hearing in person.

6. **Agreed outcomes**

- 6.1 If **Chi-X** and the relevant **participant** submit a proposed agreed outcome to the **Review Committee** under rule 9.2(b) then the **Review Committee** must, before it decides not to accept the agreed outcome, provide **Chi-X** and the **participant** concerned with an opportunity to be heard in relation to the matter and the proposed agreed outcome.

7. **Formalities, recording and transcripts**

- 7.1 Subject to these **procedures** and the **rules**, the **Review Committee** may conduct its proceedings as it sees fit and may record or make a transcript of proceedings (or both) at the hearing. If a transcript or recording is made, the **Review Committee** must make it available to **Chi-X** and to the relevant **participant**.

8. **Procedural fairness**

- 8.1 The **Review Committee** must conduct the proceedings without bias and must give the relevant **participant** and **Chi-X** a fair hearing and otherwise observe the rules of procedural fairness.

9. **Decision of the Review Committee**

- 9.1 The decision of the **Review Committee** on:

- (a) whether a contravention of a **rule** has taken place; and
- (b) the sanction to be imposed;

will be determined according to a simple majority of votes of the persons appointed to the **Review Committee**. Each member of the **Review Committee** has, and must exercise, a deliberate vote. The Chairman of the **Review Committee** does not have a casting vote.

9.2 Under **rule** 9.1(f) and these **procedures**, the decision of the **Review Committee** is binding on the **participant** and **Chi-X**.

10. Determinations and sanctions

10.1 If the **Review Committee** decides that a **participant** has contravened the **rules**, it may impose one or more of the sanctions set out in **rule** 9.3.

11. Notification of decision

11.1 The **Review Committee** will notify **Chi-X** and the relevant **participant** of the decision and the reason for its decision, including any sanction that is imposed, as soon as it is reasonably practicable to do so. The **Review Committee** has the power to direct what details of its decision may be made public.

11.2 **Chi-X** may, subject to paragraph 11.1 of this **procedure** 9.1, publicly announce a decision of the **Review Committee**.

12. Procedure 1.6 applicable

12.1 Further **procedures** on reviews are contained in **procedure** 1.6.

P 9.3 Disciplinary sanctions

1.1 For the purposes of **rule** 9.3(e), the maximum fine is \$250,000.

1.2 **Chi-X** must not publish a disciplinary sanction that has been imposed on a **participant** unless:

- (a) the **participant** consents to that publication; or
- (b) the period for requesting a review of the decision by **Chi-X** to impose the sanction has expired and the **participant** has not requested a review; or
- (c) the **Review Committee** has notified **Chi-X** and the **participant** of its decision on the review of the sanction and the publication complies with any direction made by the **Review Committee** under paragraph 11.1 of **procedure** 9.1.

1.3 For the purposes of **rule** 9.3(i), there are currently no additional sanctions.

P 9.4 Register of Decisions

1.1 **Chi-X** will keep a register of all decisions of the **Review Committee**. The register will, subject to paragraph 11.1 of **procedure** 9.1, be made available for inspection.

Section 11: COMPENSATION ARRANGEMENTS

P11.11: Disclosure by participants

- 1.1 For the purposes of rule 11.11, **participants** must provide the following disclosure to any **client**:

“Chi-X and ASX operate different compensation funds that provide protection for retail investors in the circumstances defined in the Corporations Act and Regulations.

The Chi-X compensation fund covers losses resulting from defalcation or fraudulent misuse of your money, property or authority by a Chi-X participant, subject to certain exceptions. In circumstances where your stockbroker is also an ASX participant, the following applies in relation to such a loss.

If you do not expressly or impliedly instruct your stockbroker, who is a Chi-X participant, to execute your trading instructions on the Chi-X market, and it is not reasonably apparent from the usual business practice of your stock broker which of the ASX or Chi-X market the participant would use when acting for you, the Chi-X fund will not apply. In this case, the National Guarantee Fund (NGF) may apply, provided the loss is connected to the ASX market and is covered by the NGF claims provisions. The NGF claims provisions are set out in Division 4 of Part 7.5 of the Corporations Act and Regulations (for further information see the legislation and the NGF Information Booklet available at www.segc.com.au). Note that if your stockbroker is not an ASX participant, the NGF will not apply in any circumstance.”

Section 13: GENERAL

- 1.1 For the purposes of **rule** 13.3, interest on any overdue fees will be payable at the rate of 10% per annum calculated on a daily basis until the monies are paid.
- 1.2 If a **participant** fails on two occasions to remit payment for **Chi-X** invoices on the due date, **Chi-X** may, without waiving any of its other rights, require the **participant** to enter into a direct debit arrangement.
