Subject: Chi-X Release Version 5.2 - Upgrade Schedule - update

With reference to the [earlier technical notice](#) regarding Chi-X version 5.2, which includes enhancements to market data and product definitions in reference data, Chi-X would like to confirm an update to the Production upgrade schedule for version 5.2.

PTE (test environment) was upgraded to version 5.2 on **Friday 20th January**.

Production upgrade to version 5.2 is now scheduled for the weekend of 4th and 5th of March, ready for **Monday 6th March** go-live. This go-live date was adjusted from 20th February to 6th March to allow Vendors and Participants more time for testing and deployment.

Please [contact the Market Operations team](#) if you have any queries regarding this notice.
