Subject: Payment Schedule Update

Chi-X Australia would like to take this opportunity to communicate its upcoming connectivity charge review as reflected in the [updated Payment Schedule](#) to take effect on 1st July 2016.

This is the first such revision since Chi-X go-live in 2011, despite increased hardware costs and variations in foreign exchange rates which have significantly increased the cost of providing these services.

Chi-X connectivity costs remain extremely competitive.
